STATINTL

10 January 1966

Director, Bureau of Census
U. S. Department of Commerce
Washington, D. C.

Subject: Letter Request No. 66-100-S-336

Reference: Bureau of Census File Reference No. 53-66-314 dated 23 November 1965

Gentlemen:

This Agency desires the Bureau of Census to provide necessary services for the modification of [redacted] STATINTL Editing Table Model EVT-930, including:

1. Changing the vacuum stage to transparent lucite.

2. Constructing the film splice support of lucite and etching in a cut line.

3. Installing curtain to mask off light source.

4. Incorporation of a double spool bracket on right side.

5. Installation of footage counter.

Technical information and related matters will be handled on the part of this Agency by [redacted] STATINTL dial code [redacted].

5X1A

Funds in the amount of [redacted] STATINTL have been allocated to reimburse the Bureau of Census for services rendered. No expenditure above this amount may be made without supplementary authrization. As reimbursement is desired, it is requested that Standard Form 1080, citing appropriation symbol (11x2150 Operations General), be prepared and forwarded to the Office of Finance CIA, referencing this letter as authority.
